The PAD London Art + Design fair 2017 will soon be taking place from October 2, 2017.

The fair is recognized as one of the leading art fairs for 20th Century art, design and decorative arts in the heart of United Kingdom, i.e. London. The art fair brings together a number of prominent international art galleries from Europe, North America and Asia, presenting an exceptional range of some of the most iconic works and masterpieces that can be witnessed in the art scene today. PAD showcases a range of art including modern art, photography, design, decorative and tribal arts to throw light on the different combinations that create some of the most individual and staggering interiors. Visitors can walk through the fair to discover and acquire pieces of museum quality with a distinct history. The fair cultivates eclecticism, authenticity and connoisseurship with passion and flair. Its boutique setting is designed to inspire collectors, art consultants, museum experts, interiors specialists, design practitioners and the public alike, making PAD the only event of its kind. Galleries such as Aktis Gallery, Ammann Gallery, Chahan, Blairman and many more will be participating in the art fair this year.

*The fair will be held through October 8, 2017 at Berkeley Square W1, Mayfair, London, United Kingdom.*

*For details visit: [www.pad-fairs.com](http://www.pad-fairs.com)*
